

# ARIZONA DEPARTMENT OF TRANSPORTATION PUBLIC MEETING

## Your Input is Needed on I-40/US 93 West Kingman Traffic Interchange Feasibility Report and Environmental Studies

Thursday November 13, 2008

6:00 p.m. - 8:00 p.m. (MST)

**Presentation at 6:30 P.M.**

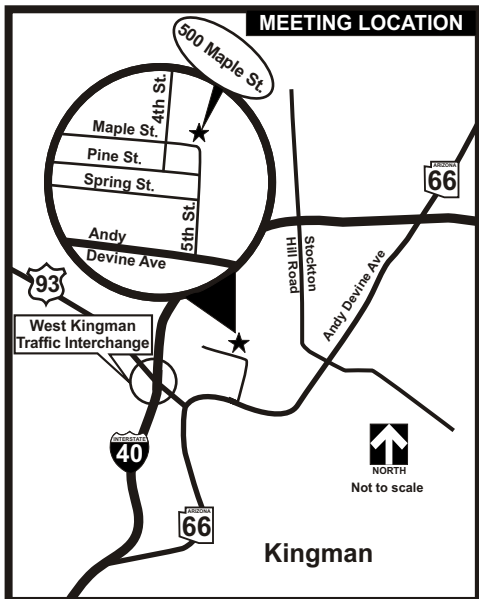

**Palo Christi Elementary School  
500 Maple Street, Kingman AZ 86401**

The general public is invited to attend an informational meeting about potential improvements to the Interstate 40 (I-40)/US 93 traffic interchange in Kingman. The Arizona Department of Transportation (ADOT), in coordination with the Federal Highway Administration and the Bureau of Land Management, is conducting a study to identify feasible corridors for providing a free-flow traffic connection between I-40 and US 93 in the Kingman area.

Potential corridors for a new traffic interchange location, including possible improvements to the existing I-40/Beale Street traffic interchange, are under evaluation. The corridor alternatives have been examined for potential environmental, social, and economic issues. It is anticipated that the findings of this study will be carried forward for more detailed study.

The purpose of the meeting is to discuss the status of the study, present the corridors under consideration, and gather public feedback on the corridor alternatives recommended to carry forward for further study. The input received from this meeting will be used to help refine the corridor alternatives and finalize the study findings. Study Team representatives will be present to answer your questions and address your concerns. Map displays will be available for viewing.

For additional technical information, you may contact Ahmad Omais, phone: (602) 944-5500, email: [ahmad.omaais@kimley-horn.com](mailto:ahmad.omaais@kimley-horn.com). **Comments may be submitted by December 12, 2008**, to ADOT c/o Laura Nordan, Jacobs Engineering, 875 West Elliot Road, Suite 201, Tempe, Arizona 85284; fax (480) 763-8601; email [laura.nordan@jacobs.com](mailto:laura.nordan@jacobs.com).
